

HOW TO FIND US

GIA's office in the Whitehouse is in Belvedere Road, between the Royal Festival Hall and the IMAX cinema. The Whitehouse is a tall residential building but we are in the part which is a lower building to the left as you enter the drive to the Whitehouse, just on Belvedere Road.

Tube

Take the tube to Waterloo and follow exit signs for the South Bank. As you come up the escalators turn right and exit onto York Road under the Shell building. Turn left and veer left again in front of a café bar called Azzurro, staying on the pedestrian walkway under the railway bridge. Do not go under the bridge on the road side towards the IMAX. Walk to the left on Festival Way and you will see a fountain on the corner. This is Belvedere Road on which you will also see the Royal Festival Hall. Stay on the fountain side, keeping it on your right. Walk approximately 10 metres until you come to a driveway. This is the entrance for The Whitehouse apartments. Cross this driveway, staying on Belvedere Road. You will see a glass entrance on your right, which is signed GIA. Press the entry buzzer to the left of the doors and a receptionist will let you in.

Buses

There are numerous buses that come to Waterloo incl. the RV1 from Covent Garden which comes to Belvedere Road itself. Many buses come over Waterloo and Westminster bridges. Aim to alight as near to the IMAX/Waterloo Bridge roundabout as possible. You should then follow the directions set out above.
